The authorization signed by the Employee directing such deductions to be made must be voluntarily executed and must provide that the authorization is revocable at any time by the Employee. Notice of revocation, to be effective, must be delivered in writing to both the Town and the Union. Notice of increases in the regular membership dues and fees of the Union must be given to the Town at least sixty (60) days in advance of any increased deduction.

Section 3.3 Hold Harmless

c. **Lunch Break.** Each Employee shall be given a one-half (1/2) hour unpaid lunch period per regular workday except that employee(s) whose work assignment(s) prevent them from leaving their work stations during lunch shall be given a one-half (1/2) hour paid lunch.

Section 4.2 Overtime Hours

a. **In General.** All work performed in excess of eight (8) hours on a shift and forty (40) hours in any payroll week shall be paid for at one and one-half (1-1/2) times the Employee's regular straight-time hourly rate.

b. **Sunday and After-Midnight Snow Removal Work.** All work performed on Sunday and all work performed in snow removal operations between the hours of midnight and 7:00 a.m. shall be paid for at two (2) times the Employee's regular straight-time hourly rate, provided the Employee has worked and/or has been on charged leave for at least forty (40) hours in the immediately preceding five (5) work days. If the Employee has not worked or been on charged leave for the base forty (40) hours, such pay will revert to straight time.

c. **Holiday Work.** All work performed on a day recognized by the Town as a holiday set forth in Article VI, Section 1, of this Agreement shall be paid for at one and one-half (1-1/2) times the Employee's regular straight-time hourly rate.

d. **Pyramiding.** There shall be no pyramiding of overtime.

e. **Scheduling.** Voluntary overtime lists will be compiled based on work assignments within each division of Public Works and Park and Recreation. Each list will identify the division's overtime assignment and those individuals qualified to perform the assignment. (See attached list for example of overtime assignments.) Assignments will be initially offered in seniority order and then equalized on a fiscal year basis. Employees must work overtime as assigned unless excused by the Director.

1. An employee offered an assignment who refuses the assignment will be charged with the number of hours equal to the assignment as if he had worked it and will be placed on the list in accordance with the total number of hours worked and/or declined.
2. If no volunteer is found, the least senior qualified employee will be involuntarily assigned to the overtime.

3. Employees who are not qualified to work specific assignments may request to be trained to become qualified to be placed on the list. Voluntary overtime will be distributed as equally as practicable with a new list promulgated each July 1.
4. Overtime generated as a result of snow storms or other general emergencies that generally require the majority of employees to work will not be included in the Voluntary overtime lists and will not be subject to equalization.
5. Overtime opportunities will be offered to union employees before being offered to non-union employees, whenever possible. If no Union member volunteers for the overtime opportunity, non-union members will be given the opportunity to work the overtime.
6. When the Park and Recreation Department has pre-scheduled overtime, it will be posted at least five (5) working days in advance of the assignment (when possible). In the event that no union member has signed up for the pre-scheduled overtime assignment three (3) working days before the assignment, non-union employees will then be given the opportunity to sign up for the pre-scheduled overtime. If, on the last working day before the assignment, no one has volunteered for the pre-scheduled overtime opportunity, the least senior qualified union member will be involuntarily assigned the overtime. Pre-scheduled overtime will be equalized in the same manner as all other overtime.
7. An employee who is out of work due to either a work-related or nonwork-related illness or injury when an overtime opportunity arises shall be deemed to have refused the opportunity and charged with the appropriate number of overtime hours.

f. Compensatory Time. In lieu of paying an Employee for time he or she works in excess of his or her normal workday, the Town and Employee may agree for the Employee to receive compensatory time off for all or a portion of such time the Employee works, as assigned, in accordance with the requirements of applicable wage-hour laws. Barring such agreement normal overtime will be paid.

Section 4.3 Call Back

Employees who report for work as directed after having been called-in to work at hours outside their scheduled shift shall be guaranteed a minimum of three (3) hours' work or pay at the applicable overtime rate.

Section 4.4 Calls

An employee who receives a computer generated automated call that requires him to take action while he is off duty but does not require him to return to the local work site to take said action will be entitled to one (1) hour of overtime for the inconvenience of receiving a call while off duty. If the automated call requires the employee to return to the work site he shall be entitled to overtime in accordance with Section 4.3 above.

ARTICLE 5 WAGES AND RATES OF PAY

Section 5.1 Wage Rates

a. **Starting Rates.** Employees newly hired during the term of this Agreement shall be paid no less than the regular straight-time hourly rate for Step 1 of the Labor Grade to which they are assigned. Notwithstanding any provision of this Agreement, including Appendix A, to the contrary, no Employee shall receive an increase in pay or move from one Step to another prior to successfully completing six (6) consecutive months worked.

The parties agree to review the Town's practice with regard to the initial step placement of new employees for the purpose of determining any inequities and to address such inequities with regard to future placements.

b. **Current Positions.** Regular straight-time hourly rates of pay for each year of this Agreement are set forth in Appendix A, attached hereto.

c. **Incremental Advancement.** Employees hired before July 1, 2004 shall advance from one Step to another on July 1st annually. Employees hired after July 1, 2004 shall, after their initial placement on the Grade and Step schedule, advance from one Step to another on their respective anniversary dates of employment, but not before they have completed six (6) months of employment.

d. **New Positions.** Wage rates for classifications newly established by the Town during the period covered by this Agreement will be negotiated with the Union.

e. **Promotions.** Any Employee whom the Town promotes from a position in one Labor Grade to a different position in a higher Labor Grade will be placed at the lowest Step in the higher Labor Grade that has a regular straight-time hourly rate no less than two percent (2%) higher than that of the position to which the Employee was previously assigned. Any increase that such promotion yields will be effective the next pay period following the effective date of the promotion. Notwithstanding any other provision of this Agreement, Employees who are promoted will not be eligible for step advancement until they have successfully completed six (6) month service in the position to which they have been promoted.

Employees who are promoted shall continue to advance from one Step to another in accordance with their original step movement date (either July 1 or their anniversary date). If an employee has not completed six months of employment in a promotional position on his designated step movement date, he shall advance a step on the date in which he completes six months of employment and return to his normal designated step movement date thereafter.

For example, if Employee A is hired on March 1, 2010, his designated step movement date will be March 1. However, if he is promoted to a new position on February 1, 2012 he would not be eligible to move a step on March 1, 2012 because he has not been employed in his

promotional position for six months. He would move a step in his promotion position on August 1 2012 and thereafter move a step each March 1.

f. Demotions. A demotion is a transfer, for any reason, to a Labor Grade that has a lower maximum hourly rate than the maximum hourly rate of the Employee's current Labor Grade. Notwithstanding any other provision of this Agreement, a demoted Employee will be placed on the highest Step in the Labor Grade to which he or she is demoted which carries a regular straight-time hourly rate lower than the Employee's hourly rate of pay prior to the demotion.

Section 5.2 Longevity

a. Schedule. Employees shall, upon completion of the lengths of service set forth below (the Employee's "Qualifying Anniversary Date"), receive the following annual Longevity Bonuses:

Effective July 1, 2008:

- Ten (10) years \$350.00
- Fifteen (15) years \$450.00
- Twenty (20) years \$650.00

b. The Town shall, for each Employee eligible or who becomes eligible for an annual Longevity Bonus set forth above, convert the annual Longevity Bonus to an hourly rate (the "Hourly Longevity Rate") and, as described below, add the Hourly Longevity Rate to the regular straight-time hourly rate at which the eligible Employee is paid pursuant to Appendix A.

(1) For each Employee who became eligible for a Longevity Bonus on or before June 30, 2004, the applicable Hourly Longevity Rate shall be added to the eligible Employee's regular straight-time hourly rate of pay for services he or she performs on and after July 1, 2004.

(2) For each Employee who, during the term of this Agreement, attains a Qualifying Anniversary Date either **(i)** to become eligible for a Longevity Bonus for the first time or **(ii)** to become eligible for a higher Longevity Bonus than that for which he or she was eligible previously, the new Hourly Longevity Rate for such Employee shall become effective at the start of the first pay period next following the Employee's Qualifying Anniversary Date.

(3) In all cases, the aforesaid annual Longevity Bonuses shall be non-cumulative, regardless of the form in which they are paid. No Hourly Longevity Rates shall be payable by the Town before the next pay period beginning after the Employee's Qualifying Anniversary Date.

c. **Determination of Length of Service.** In all cases, in order to qualify for said bonuses, an Employee's length of service will be determined as of his anniversary date.

Section 5.3 Education Reimbursement

a. Employees shall be eligible for reimbursement of the expense of tuition for courses of study relevant to their Department that they successfully complete, provided:

1. No reimbursement shall be paid for any such course of study unless the course has been approved in advance by the Town Administrator, upon the recommendation of the Director.

2. Each such course of study must be, in the judgment of the Town Administrator, relevant to the work done by the Employee in his current position or performed in Union positions to which such Employee might reasonably be promoted.

3. In courses that are graded, a grade of "C" or better must be obtained.

4. Any such course is commenced after the effective date of this Agreement.

b. If an Employee who has received a reimbursement voluntarily quits or retires or is discharged from the Town's employ within two (2) years after having been reimbursed, the Town shall be entitled, without prior notice, to deduct from the Employee's final pay and other monies due the Employee upon termination of employment an amount equal to the applicable reimbursement.

ARTICLE 6 HOLIDAYS

Section 6.2 Holidays on scheduled days off

In the event a Town holiday falls on an employee's regularly scheduled day off the Town shall schedule the holiday on an alternative day for which the employee is scheduled to work and the employee shall be compensated for the alternative holiday at the employee's straight time hourly rate for the number of hours that the employee is regularly scheduled to work.

Eligible Employees on vacation during a week in which one of the above-listed holidays falls shall receive an extra day's vacation with pay in lieu of such holiday.

ARTICLE 7 VACATIONS

Section 7.1 Vacation Eligibility.

Employees who have successfully completed their respective probationary periods will be entitled to vacations with pay in accordance with the following schedule:

Term of Service	Maximum Vacation Earned Per Month		Maximum Vacation Earned Per Year		Maximum Vacation Accumulation Per Sec. 7.2	
	Days	Hours	Days	Hours	Days	Hours

Section 7.2 Carry-Over.

Vacations are generally to be taken in the fiscal year earned, but may be accumulated up to but not exceeding an amount representing two years' accumulation.

Each employee shall have the option of being paid for all accrued and unused vacation time, except for two (2) weeks. Employees must indicate their intent to exercise this option within thirty (30) days of ratification of this Agreement by both parties. Once an employee has exercised this option, he shall not be permitted to carryover more than two (2) weeks of unused vacation each year and any unused and accrued vacation time in excess of two (2) weeks shall be paid at the rate in which it was earned in the first paycheck following June 30th of each year.

Section 7.3 Vacation Paid at Termination or Military Leave.

In the event of Military leave or termination, the Employee involved shall be paid all current vacation pay accrued to him as of the time he leaves his employment.

Section 7.4 Vacation Pay Rate.

An Employee's vacation pay shall be based upon his regular straight-time hourly rate in effect at the time that he takes his vacation.

Section 7.5 Vacation Scheduling.

Vacation time-off shall be scheduled at the discretion of the Director who shall consider the desires of the Employees and the needs of the department in arriving at the vacation schedule.

Section 7.6 Payment of Vacation to Estate.

Section 7.7 Report of Use.

The Town shall include in an Employee's paycheck the number of sick, personal and vacation days accumulated and used by the Employee during that pay period.

ARTICLE 8 LEAVE PROVISIONS

Section 8.1 Absence and Tardiness.

Employees are required to report to work when scheduled and to be ready to start work on time. Unexcused absence and tardiness will subject an Employee to disciplinary action, including discharge.

Section 8.2 Sick Leave.

a. **Accumulation Rate.** Paid sick leave at the Employee's regular straight-time hourly rate is granted to all regular full-time Employees on the basis of one (1) day of sick leave for each month of service up to a maximum of twelve (12) days per year during the first ten (10) years of service and, thereafter, one and one-half (1 ½) days of sick leave for each month of service up to a maximum of eighteen (18) days per year.

b. **Payment of Accumulated Sick Leave.** Employees will be permitted to accumulate unused sick leave days beyond 150 days and, at retirement, will receive one (1) day's pay for every three (3) days of unused sick leave in excess of 150 days. Payment will be made at retirement by a separate check. This payment will not be included in the computation of the Employee's pension benefit. No payment will be made for any time less than 153 days. Payment for time over 153 days will be pro-rated to the nearest hour, where necessary. Employees hired after April 1, 1998 will not be entitled to payment for accumulated unused sick leave upon retirement.

c. **Doctor's Certificate.** Sick leave is counted from the first day of illness and will include only those days upon which the Employee would have been assigned to work had he been healthy. The Director may require an Employee who is absent on sick leave for more than three (3) consecutive working days to submit a medical doctor's certificate.

d. **Verification of absence.** Regardless of the number of days the employee is absent from work, nothing herein will be construed so as to limit in any way the Town's right to verify the legitimacy of any absence or any claim for a sick day or to require an Employee to provide the Town with proof, satisfactory to the Town, that the employee is (A) too sick or otherwise medically incapacitated to work as assigned and/or (B) medically fit to perform the duties of the assigned job as a condition of returning to work.

An employee who has given notice of resignation or retirement must provide proof of illness to be paid for any sick time used during the notice period.

If the Town requests medical documentation from a physician to support the legitimacy of any absence in accordance with section (d) of this Article, it will reimburse the employee for the office visit out-of-pocket co-pay, upon request.

e. **Extension of Sick Leave.** In special circumstances, sick leave may be extended by the Board of Selectmen at its discretion to an Employee suffering from a major ailment.

Section 8.3 Personal Leave of Absence

a. **Bereavement Leave.** An absence without loss of regular pay for up to three (3) workdays shall be granted to an Employee who has a death in his immediate family (mother, father, spouse, sister, brother, child, mother-in-law, father-in-law and grandparents).

An absence without loss of regular pay of one (1) workday shall be granted to an Employee to attend the funeral of an aunt or uncle.

b. Personal Business. A leave of absence without loss of regular pay for up to two (2) working days per fiscal year shall be granted to an Employee who has personal business to attend to provided that the Employee requests permission to be absent a reasonable time after he learns of his need to be absent and he informs the Director of the reasons for his absence. Personal business refers to a personal obligation (e.g. court appearances, house closings, parent/teacher school conferences, etc.) which can only reasonably be accomplished on that workday for which leave is requested and cannot reasonably be done during non-working hours. Such leave shall not be unreasonably withheld.

Section 8.4 Jury Duty

An Employee required to serve on Jury duty shall be paid the difference between his or her regular day's pay based on eight (8) hours' pay at the Employee's regular straight-time hourly rate and the daily jury allowance.

Section 8.5 Military Leave

a. Military Reserve Duty. An Employee may be granted time off without pay to discharge his obligation for Military Reserve duty. Such time off shall not be counted against the Employee's vacation time unless he chooses to do so, in which event he shall receive his vacation pay for such time off in accordance with the provisions of Article 7, above.

b. Active Military Service. Employees will be granted Military Leaves of Absence without pay in accordance with the requirements of the Federal Universal Military Training and Service Act, as amended.

The Town will continue, pursuant to the provisions of Section 125 of the Internal Revenue Code, a Reimbursement Account Plan (an "RA Plan") for the purpose of enabling eligible Employees to divert a portion of their gross pay, prior to reduction for federal income or social security taxes, into an account from which, during the course of the Plan Year, they can be reimbursed for their share of Group Insurance Premiums (Premium Conversion), Health Care costs (Health Care Reimbursement) which are not covered by the Medical or Dental Plans described in this Article, and Dependent Care costs (Dependent Care Reimbursement). Each Employee will be permitted to divert a maximum of \$5,000 per Twelve Month-Year for Dependent Care and \$1500 per Plan Year for Health Care Reimbursement. There is no specific maximum limit in this Agreement for Premium Conversion, but all diversions of income to the RA Plan are subject to applicable provisions of the Internal Revenue Code.

In addition, the following provisions will apply:

- a.** Under no circumstances will the Town be required to contribute any monies to the RA Plan or to any account established pursuant thereto.
- b.** The RA Plan year will coincide with the Group Insurance Plan year, which, as of the effective date of this agreement, begins March 1 annually.
- c.** Each Employee desiring to participate in the RA Plan must apply, enroll and submit the required information during the month immediately preceding the Plan Year (Plan Year is January 1 - December 31).
- d.** As a condition precedent to the establishment of an account under the RA Plan, the Employee must submit to the RA Plan Administrator, on forms approved by the Town, written authorization for the Town to deduct from his or her pay the amounts to be diverted to his or her RA Plan Account, which shall be the same amount from each paycheck issued during the Plan Year.
- e.** If the employment of an Employee terminates for any reason while he or she is a participant in the RA Plan, the Employee will be permitted to withdraw the unencumbered balance from his RA Plan Account.
- f.** Unexpended balances in each RA Account at the end of each Plan Year will be forfeited in accordance with legal requirements. The RA Plan will be governed by the terms of the RA Plan description contained in the insurance booklet issued by the carrier. It is intended that the RA Plan shall be interpreted, whenever possible, to comply with the terms of the Internal Revenue Code. In the event the RA Plan Administrator determines, before or

during any Plan Year that the RA Plan may fail to satisfy any non-discrimination requirement imposed by the Code or limitation on benefits to certain participants, the RA Plan Administrator shall take such action as he deems appropriate, under rules uniformly applicable to similarly situated participants.

Section 9.7 Life Insurance

The Town shall provide its regular full-time Employees with group term life insurance coverage, at no premium cost to them; in an amount equal to their respective base annual earnings (i.e., 2080 hours x their respective regular straight-time hourly rates of pay as of July 1st of the fiscal year). The parties agree that life insurance coverage for full-time employees will not be reduced at age 70, however, the Town reserves the right to determine the method of providing the coverage of those employees over 70 years of age

Section 9.8 Long-Term Disability

The Town will make long-term disability coverage available to each eligible Employee who has satisfactorily completed at least six (6) months of continuous service and who has been absent for at least six (6) consecutive months due to the disability. Such an Employee will receive benefits equal to sixty percent (60%) of the eligible Employee's regular daily rate of pay. Benefit payments will be reduced by any amount paid the Employee through workers' compensation, social security and any other offset, in accordance with the terms of the long-term disability insurance plan.

Section 9.9 Disputes Relating to Benefits

Eligibility for benefits shall be determined exclusively in accordance with the provisions of the respective insurance contracts acquired by the Town to provide covered services, and any dispute relating to eligibility for or the amount of covered services or benefits in any individual case shall be processed by the Employee directly with the respective insurance carrier or the outside Plan Administrator and shall not subject the Town to any claim in any forum. In no event shall the Town be considered to be an insurer or a guarantor of any covered services or benefits.

Section 9.10 Change of Carriers

Nothing provided herein shall be construed or applied to discontinue or curtail the Town's inherent right to change insurance carriers or to self-insure in whole or in part, at any time, provided the coverage described in this Agreement continues to be made available at a level that is substantially equivalent to the level of covered services available under the Plans in effect as of the effective date of this Agreement. The Union will be notified of the Town's plan to change carriers at least thirty (30) days in advance of the effective date of such change, and Employees will be notified of Plan changes made as a result of a change in carriers.

ARTICLE 10 PENSION

Section 10.1 Pension Plan

Pensions for Employees shall be governed by and subject to the terms and conditions set forth in the "Town of Darien Employee Retirement Plan".

Section 10.2 Employee Participation on Pension Board

Annually, during the month of May, the Town shall conduct an election among all persons employed by the Town who are covered by the Pension Plan for the purpose of electing one such person as a member of the Pension Board for one fiscal year beginning the ensuing July 1. In the event the person so elected fails to complete his or her term, the Town shall, in the month immediately following the incumbent's departure, conduct an election to choose a replacement for the balance of the term from among the persons covered by the Pension Plan.

ARTICLE 11 SAFETY AND WORKING CONDITIONS

Section 11.1 Physical Examinations

a. **Pre-employment Physical.** As a condition of employment, applicants for work must pass a physical examination paid for by the Town and administered by a doctor selected by the Town.

b. **Routine Physical.** The Town will notify an Employee when it requires him or her to take a routine physical examination. Such exam will be administered by the Employee's doctor not more than once every other year. The Town will reimburse the Employee up to a maximum of \$135 for each such physical examination upon presentation to the Director of the doctor's bill and examination results.

Section 11.2 Work Clothing and Safety Equipment.

a. **Protective Gear.** The Town will furnish hard hats where overhead hazards exist and will furnish raincoats, boots, and protective pants where the Director deems such clothing to be advisable, provided, however, that Employees will be required to wear such clothing and hardhats when assigned.

b. **Work Clothing Allowance.** The Town will reimburse each Employee a maximum of \$350.00 annually for the purchase of safety shoes and work clothing which meet the approval of the Director. Such reimbursement shall be made as often as the Director determines is justified, but in each case the Employee must present the Director with a receipt for the purchase of the shoes and/or clothing, and the shoes and/or clothing must be acceptable to the Director. Employees who are reimbursed for the purchase of safety shoes and/or clothing pursuant to this Section must wear them on the job. If an Employee purchases

clothing and seeks reimbursement, the Employee will not be provided with a uniform by the Town.

Section 11.3 Snow Plowing

When plowing snow or spreading of ice-control materials , Employees shall be provided with a rest period of at least four (4) hours once they have been sent home. If they are required to report back within a time interval of less than four (4) hours, they shall be paid straight through at straight-time from the time they were sent home as if there had been no such rest period (i.e., break in service).

This provision shall apply to all periods of time when snow plowing or spreading ice-control materials is being performed whether it be during the normal hours of work or on overtime. This provision shall not apply when Employees have not been engaged in snow plowing or spreading of ice-control materials between 12:00 noon and the end of the normal work day.

Section 11.4 Ice-control Material Loading.

The Director will make every effort to assign an Employee to the "ice-control materials loading area" during active snow and ice control operations to assist in the loading process.

Section 11.5 Automotive Mechanics' Tool Allowance.

Employees regularly assigned to the following positions shall be eligible for annual tool allowances to compensate for the wear and loss of their personal mechanic's tools incurred in the performance of their job duties:

Equipment Mechanic:	\$300.
Equipment Mechanic II:	\$300.

Section 11.6 Reasonable Accommodation under ADA

It shall not be a violation of this Agreement for the Town to apply different terms, conditions, or privileges of employment for any Employee when it is necessary for the Town to provide a reasonable accommodation to that Employee pursuant to its obligations under the Americans with Disabilities Act of 1990, as amended. The Town will confer with the Employee and the Union before providing any such reasonable accommodation to the Employee. Actions taken by the Town pursuant to its obligations under said Act shall not be subject to the grievance procedure set forth in Article 14 of this Agreement.

Section 11.7 Return to Work Program

Nothing in this Agreement shall be construed or applied to prevent the Town from establishing and implementing a return-to-work program, including, but not limited to, managed care and light-duty requirements, with respect to any Employee who has been disabled by a compensable injury under Workers Compensation or a non-compensable illness or injury. A grievance concerning the suitability of a light-duty assignment may be initiated and pursued in accordance with Article 14, Grievance Procedure, of this Agreement.

Section 11.8 Safety And Working Conditions

An employee who is granted Worker's Compensation benefits shall receive his/her regular pay for six (6) months and the Town will be 100% responsible for supplementing the workers' compensation benefits.

After six (6) months, the employee will continue to receive workers compensation payments but the percentage of the supplementation of the payments for an employee to receive his/her regular pay will be in accordance with the following schedule:

After six (6) months, the Town will be responsible for supplementing the employee's workers compensation benefit up to 80% of the employee's pay and the employee can use accrued sick leave to continue to receive the remaining 20% of his/her regular pay.

After nine (9) months, the Town will be responsible for supplementing the employee's workers' compensation benefit up to 75% of the employee's pay and the employee can use accrued sick leave to receive the remaining 25% of his/her regular pay.

After twelve (12) months, the Town will no longer be required to supplement the employee's workers compensation benefit and the employee must use accrued sick leave to continue to receive his/her regular pay.

If an employee has depleted all of his/her accrued sick leave, he/she may use any other accrued leave time to supplement his/her workers' compensation payments. An employee who does not have sufficient accrued leave time to supplement his/her workers compensation benefit shall only receive the statutorily required workers compensation benefit

ARTICLE 12 DISCIPLINE AND DISCHARGE

Section 12.1 Just Cause

No Employee shall be discharged or suspended without pay except for just cause. An Employee who is disciplined in any manner directly resulting in a loss of pay shall have recourse to the Grievance and Arbitration Procedures set forth in Article 14 hereof. Any Employee who receives lesser discipline shall also have recourse to such Grievance Procedures, but shall not be permitted to process such grievance beyond Step 2.

Section 12.2 Discipline

The Town shall provide the Union with a copy of written disciplinary warnings which it issues to Employees.

Section 12.3 Discipline and Discharge

Any Employee who receives a written reprimand or a written notice of disciplinary suspension or discharge may submit a written rebuttal to his or her supervisor within ten (10) calendar days of receiving said written reprimand or written notice of disciplinary suspension or discharge. Said rebuttal shall be placed in the Employee's personnel file. In the event of arbitration pursuant to Section 14.2, the Union and the Town shall have the right to submit evidence relating to any written reprimand or written notice of disciplinary suspension or discharge and any written rebuttal thereto.

ARTICLE 13 NO STRIKE/LOCKOUT

The Union and its officers, on behalf of themselves and the Employees in the bargaining unit, agree that they will not engage in, encourage or tolerate any strike, picketing, leafleting, slowdown, sit-down or any interruption of work in any form for the term of this Agreement.

ARTICLE 14 GRIEVANCE PROCEDURE

Section 14.1 Definitions

a. A "**Grievance**" is hereby defined as a written claim by an Employee or the Union that a specific provision expressed in this Agreement has been violated, misinterpreted or misapplied by the Town.

b. A "**Grievant**" is hereby defined as any Employee and the Union who files a Grievance.

c. "**Day**" wherever it appears in this Article is hereby defined as a day on which the Employee is scheduled to work (excluding overtime work).

Section 14.2 Procedure

All Grievances shall be processed exclusively in accordance with the following procedure:

a. Step 1: Director

(1) Within seven (7) days after the alleged event on which the Grievance is based or within seven (7) days after the Grievant first knew or should have known of the alleged event on which the Grievance is based, whichever is later, the Grievant must submit the Grievance to the Director directly or through the Union Steward. The Grievance must set forth a brief description of the claim(s) on which the Grievance is based and specify the Section of this Agreement allegedly violated, misinterpreted or misapplied.

(2) The Director shall, within seven (7) days after receipt of the Grievance, take one or more of the following steps: (a) confer with the Grievant in an attempt to resolve

the Grievance, (b) answer the Grievance in writing with or without such a conference, and/or (c) direct the Grievant to proceed to the next step.

b. Step 2: Town Administrator

(1) If the Grievance is not resolved at Step 1, and the Grievant wishes to proceed further, the Grievant shall submit the Grievance to the Town Administrator within seven (7) days after receipt of the response to the Step I Grievance, or in the absence of such response, within seven (7) days after the time provided the Director for giving such a response.

(2) The Town Administrator or his/her designee shall, within seven (7) days after receipt of the Grievance confer with the Grievant in an attempt to resolve the Grievance. If the Grievance is not resolved, the Town Administrator or his/her designee shall set out the Town's position in writing and deliver same to the Grievant within seven (7) days following the conference.

c. Step 3: Arbitration

If the Grievance is not resolved at Step 2, and the Union wishes to proceed further, the Union must file a Demand for Arbitration to the American Arbitration Association subject to the following terms and conditions:

(1) The Grievance must arise out of and involve the interpretation or application of a specific provision expressed in this Agreement and will not be arbitrable if it claims a right benefit or obligation not expressly set forth in this agreement.

(2) The Demand for Arbitration must be made in writing by certified mail, return receipt requested, with a copy to the Town Administrator, postmarked within the ten (10) working days immediately following the Grievant's receipt of the Town Administrator's response at Step Two.

(3) The Arbitration must be in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association in existence at the time the Demand for Arbitration is filed.

(4) The Demand for Arbitration must be limited to the same Grievance submitted to the Town Administrator at Step Two.

(5) The Arbitrator's authority will be limited to determining whether, by the allegations contained in the Grievance, the Town violated, misinterpreted or misapplied the specific provision of this Agreement alleged in the Grievance. The Arbitrator will have authority to render awards consistent with the provisions of this Agreement and the aforesaid rules.

(6) The decision of the Arbitrator will be final and binding, subject to the right of either party to have the award confirmed, vacated or modified according to law.

(7) The cost of the arbitration (including Arbitrator's fees and hearing room rental, if any, but excluding lawyer's costs and any other costs incurred exclusively by one party) will be shared equally by the Town and the Union.

(8) Grievances must be filed for arbitration separately, and an Arbitrator may not hear multiple Grievances unless the Town and the Union agree, on a case-by-case basis, to allow the Arbitrator to do so.

Section 14.3 Effect of Time Limits

The time limits specified herein are of the essence and may only be extended by mutual written agreement of the Town and the Union. Failure to process a Grievance within the time limits provided herein shall be deemed a waiver of such Grievance, and the Grievance shall be considered resolved in accordance with the position of the Town. Failure by the Town representatives to meet or respond to the Grievance within the time limits provided herein shall permit the Grievant or the Union, as appropriate, to process the Grievance to the next step provided they do so within the time limits set forth herein.

Section 14.4 Representation

a. Grievant will be permitted to be accompanied by the Union steward and/or the Union's Business Representative at all grievance meetings and arbitration hearings except at Step 1, where only the Steward will be permitted.

b. One (1) Union representative may attend a grievance or arbitration hearing without loss of pay, provided that the representative shall be paid only if the hearing takes place when the representative is regularly scheduled to work.

Section 14.5 Union Grievance

The Union may file a Grievance at its own initiative only if the alleged facts on which the Grievance is based directly affect Employees in different departments or the bargaining unit as a whole, such as, for example, a claim that the Town failed to observe a holiday recognized by this Agreement. Grievances filed by the Union must be filed directly with the Town Administrator, but in all other respects must comply with the provisions of this Agreement.

Section 14.6 Officers of Union; Means of Notification

The Union shall keep the Town Administrator and Directors supplied with a current list of its officers and a current Union address and telephone number. All notices that the Town is required by this Article to provide to the Union President shall be deemed provided if the notices are mailed to the Union President, at the address he or she has supplied, via U.S. Mail, postage prepaid, or, upon written request of the Union President, via electronic transmission (e-mail) or by telephonic facsimile (fax).

Section 14.7 Sole Procedure

The grievance procedure contained herein, including arbitration, shall be the exclusive method of resolving grievances.

ARTICLE 15 SENIORITY

Section 15.1 Seniority Defined

Seniority is defined as an Employee's total continuous service with the Town in a position covered by this Agreement beginning with his first day of work in a position covered by this Agreement. Seniority shall be applied only where, specifically provided for in this Agreement.

Section 15.2 Seniority List

The Town shall prepare and keep current a seniority list, a copy of which shall be provided to the Union whenever it is updated.

Section 15.3 Probationary Period

Employees shall be on probation for their first sixteen (16) weeks of employment, beginning with their first day of work.

Section 15.4 Layoff

In the event the Town decides to reduce the number of Employees in the bargaining unit by layoff, the Town shall determine the classifications in which the layoffs will occur. Within the classifications to be reduced, the Town shall lay off Employees in reverse order of their seniority (i.e., the least senior Employee in the classification will be laid off first), provided those Employees remaining in the classification are qualified, in the reasonable judgment of the Town, to perform the work remaining after the layoff. A laid off Employee shall be given the opportunity to:

a. fill an available vacancy in a lower-rated job classification provided he or she is qualified, in the reasonable judgment of the Town, to perform the required work; or

b. "bump" the least senior Employee in a lower-rated job classification who has less seniority than the laid off Employee, provided the laid off Employee is qualified, in the reasonable judgment of the Town, to perform the required work.

Section 15.5 Recall

Employees laid off after successful completion of their probationary periods of employment will be eligible for recall to the positions which they are qualified to perform, if such

positions become available during their respective recall periods, according to the following terms and conditions:

- a.** an Employee's recall period will equal the length of his or her most recent period of employment in a bargaining unit position, up to a maximum of one year following the date of layoff;
- b.** recall to such positions will be in reverse order of layoff;
- c.** Employees eligible for recall must be qualified, in the reasonable judgment of the Town, to perform the work of the available position at the time of recall;
- d.** prior to posting a vacant position, the Town will mail recall notices to the laid off Employees who are eligible for recall to such position;
- e.** the Town's recall obligation will be fully satisfied by its mailing the recall notice to the Employee's address on its records;
- f.** recalled Employees must report to work when scheduled or within five (5) normal work days following the date of the recall notice, whichever is later.

Section 15.6 Loss of Seniority

An Employee shall lose his or her seniority if he or she:

- a.** quits;
- b.** is discharged for cause;
- c.** retires;
- d.** is absent without reporting for three (3) consecutive days without a satisfactory reason;
- e.** rejects recall to the position from which he or she was laid off or fails, within five (5) normal work days following date of notice of recall to such position, to submit to the Town written notice of acceptance of recall;
- f.** fails to return from a period of absence or leave when scheduled without a satisfactory reason;
- g.** accepts employment elsewhere, without prior approval of the Town, while on a leave of absence.

Section 15.7 Vacancies

Available vacancies in bargaining unit positions which the Town decides to fill on a regular basis shall be posted for a period of at least seven (7) calendar days prior to filling the vacancy on a regular basis and advertising the vacancy externally. Employees who wish to apply for a posted vacancy must apply in writing in accordance with the instructions on the posting. Nothing herein will prohibit the Town from filling a vacancy on a temporary basis from any source.

Section 15.8 Promotions

a. Where practicable, the Town will consider Employee applicants before it considers non-Employee applicants. If Employee-applicants are, in the reasonable judgment of the Town, qualified for the position, the Town will offer the position to the Employee-applicant who, in its reasonable judgment, is the most qualified for the position. If the Town determines that two (2) or more Employee-applicants are equally the most qualified, the Town shall offer the position to such applicants in the order of their seniority. If the Town, in its reasonable judgment, has grounds to conclude that the Employee-applicants are not qualified, the Town will be free to consider applicants from any source, including applicants not then employed by the Town, and to offer the position to the applicant who, in its reasonable judgment, is the most qualified for the position.

b. **Probationary Period before Promotion is Final.** Any Employee assigned to a vacancy pursuant to this provision will be on probationary status for ninety (90) working days. If, during this probationary period, the Employee is determined, in the reasonable judgment of the Director, to be unsatisfactory in performing the required work, the Employee will be returned to his or her former position. Nothing in this paragraph shall limit the Town's right to fill any vacancy on a temporary basis with either a current Employee or a new Employee.

Add Town's policy to contract with the following addition

**ADDENDUM TO TOWN OF DARIEN
SUBSTANCE ABUSE TESTING POLICY FOR
DRIVERS OF COMMERCIAL MOTOR VEHICLES
DISCIPLINARY CONSEQUENCES FOR ENGAGING
IN PROHIBITED CONDUCT**

A Commercial Driver's License;

The first positive test will result in a three (3) day unpaid suspension with a mandatory referral to EAP. A treatment program will be developed by the provider. The employee shall be obligated to continue and complete the requirements of the program as a condition of continued employment. The employee shall also be subject to all the requirements of the Federal Regulations regarding follow-up drug and alcohol testing.

If the employee tests positive for a second time, the employee shall be suspended for five (5) unpaid days, be demoted to a laborer, and be reevaluated by the EAP provider. The employee shall be required to follow the recommended treatment program and be subject to follow-up drug and alcohol testing. The employee shall not be eligible for any promotion or assignment that would require the employee to drive for a ten year period.

If an employee tests positive for a third time, the employee shall be terminated.

This agreement does not limit the Town's ability to impose more severe discipline, up to and including termination, for underlying misconduct beyond the positive drug and alcohol test.

If the employee refuses to take the test or does not show up for the test, it will be considered a positive test for the purpose of this agreement.

If an employee voluntarily admits he/she has a problem, and such admission is not the result of an impending test, the employee will be referred to EAP with no disciplinary action.

Any employee who seeks treatment for any drug or alcohol problem, shall be required to use all accrued sick leave. In the event they exhaust sick leave, they can use any other accrued leave time, while seeking treatment for such condition. Upon successful completion of treatment and a written statement to that effect to the Department, the employee shall be returned to active status without reduction in pay
